SPONSORED RESEARCH AND FUNDING

External Research Grants and Contracts — The University of Texas at Arlington

$331,870 1OT2OD035659-01 National Institutes of Health via Healthy Tarrant County Collaboration (PI Fulmer, L) 09/20/23 - 09/19/25 "Community-Led Health Equity Structural Intervention (CHESI): Macro-level Health Considerations of Community and Criminal Justice System Relationships on North Texas" The NIH Common Fund launched a new community-led research program in 2023 to address underlying factors that contribute to community health disparities. This award to a community-based organization leverages academic-community partnerships to develop a structural intervention that addresses local policing practices which disproportionately impact racially and politically minoritized groups. Role: Co-Investigator

$60,000 1OT2HL156812-01 National Institutes of Health via UNT Health Science Center (PI Vishwanatha, J) 11/01/2021 - 07/31/2022 Texas CEAL Consortium Subcontract This research, funded in part by the National Institutes of Health (NIH) Agreement as part of the NIH Community Engagement Alliance (CEAL), is a collaboration between the Texas CEAL Consortium and the University of Texas at Arlington (UTA) to support the development, coordination, implementation, and evaluation of community engagement activities which promote students and community health workers as Community Health Education Advocates to increase COVID-19 vaccine uptake in DFW Metroplex. Role: Co-Investigator

$40,000 Health Policy Research Scholars (HPRS), a program of the Robert Wood Johnson Foundation. 01/01/2021- 06/30/2022 An Investigation of The Survival and Coping Strategies of Immigrant Persons and Immigrant-Serving Groups in Dallas-Fort Worth and Houston, Texas During the COVID-19 Pandemic The purpose of this study is to build community capacity among immigrant-serving community-based organizations (CBOs) to participate in and apply research concerning the health of immigrant persons and families in two large Texas cities. Role: Co-Principal Investigator (Co-PI Celeste-Villalvir, A)

$4,000 Health Policy Research Scholars (HPRS), a program of the Robert Wood Johnson Foundation 05/01/2019 - November 30, 2020 Dissertation Award Competitive program award for travel costs and participant incentives associated with data collection for dissertation research Role: Principal Investigator

$120,000 Health Policy Research Scholars (HPRS), a program of the Robert Wood Johnson Foundation 09/01/2017-08/31/2021 Health Policy Research Scholars Leadership Program Award Highly competitive and prestigious four-year leadership program for doctoral students from populations underrepresented in specific doctoral disciplines and/or historically marginalized background. Specific activities included: (1) immersive policy and leadership development trainings and coursework in Washington, DC and multiple sites throughout the United States, as well as webinars and other virtual learning; (2) training in health policy translation, dissemination, communication, health equity, and population health while based in home institutions; (3) cultivation of mentorship networks with public health and policy leaders; (4) an annual stipend of $30,000 for four years; and (5) competitive program awards Role: Principal Investigator

$54,000 NIMHD via University of North Texas Health Science Center (PI Vishwanatha, J) 11/01/2016—12/31/2017 Tarrant County Cancer Disparities Coalition Needs Assessment The goal of this project is to conduct a mixed-methods needs assessment to provide health providers in a collaborative network with a greater understanding of patient experiences and barriers along the cancer continuum of services in Tarrant County. Role: Co-Investigator

$75,000 NIMHD via Community Council of Greater Dallas (PI Voinea-Griffin, A) July 1, 2015—12/31/2017 Compliance Barriers and Initial Outcomes of the Medicaid First Dental Home Policy in Dallas Co. This mixed methods study evaluated the oral health impact of a new Texas health policy in the Dallas community and to provide evidence for policy development and improvement. The goal of the project is to improve oral health in vulnerable children, assess progress toward the Healthy People 2020 objectives for this population group, and guide future efforts. Role: Co-Investigator

$20,000 NIMHD via UNT Health Science Center (PI Vishwanatha, JK) "Texas Center for Health Disparities Community Engagement/Outreach Core." 08/01/14—07/01/15 Provided oversight, project management and community engagement activities for NIMHD Exploratory Centers of Excellence (P20) Community Outreach Core in translational research center focused on women's health disparities. Community-based participatory research initiatives focused on obesity, breast cancer, and HIV/AIDS alongside a Community Advisory Board Role: Co-Investigator

Internal Research Grants — The University of Texas at Arlington

$60,000 University of Texas at Arlington Office of the Vice President for Research (PI Sanchez, K) 09/01/2016 – 08/31/2017 An Exploratory Study into Implementation and Decision-Making Processes Related to Community Health Needs Assessments in Tarrant County The purpose of this project is to explore the community health needs assessment process conducted by nonprofits hospitals and other collaborators in Tarrant County to develop a framework for collaborative data collection and implementation of strategies focused on addressing community health disparities. Role: Co-Investigator

Training and Curriculum Development Funding — The University of Texas at Arlington

$5,000	90NWPG0021-01-00 Administration for Community Living via Texas Healthy at Home 9/1/2021 – 2/29/2024 Health Equity Training for a Community Integrated Health Network (CIHN) Developed and conducted a statewide virtual training on health disparities and social determinants of health targeting organizational staff and providers of long-term services and supports for older adults Role: Trainer
Amount not listed	Baylor Scott & White Health Plan via Texas Healthy at Home 11/2023 – 10/2024 BSWH Texas Takes on Falls Project: Statewide SDOH and Health Disparities Training Role: UTA Project Partner and Faculty Supervisor
$10,000	Health Policy Research Scholars (HPRS), a program of the Robert Wood Johnson Foundation. 01/01/2021- 08/31/2021 Let's talk about it: An immigration and health teach-out. Competitive program award to develop a virtual teach-out. Teach-outs are learning experience that are topic-focused and action oriented, online, free, open to the public, and designed to provide information about a specific topic through a learning format that is less academic and more accessible than the traditional classroom environment. Role: Principal Investigator
$1,000	JPS Health Network. 10/2016—05/2017 "Assessment of the Knowledge, Attitude and Beliefs of United Way Partners in Health and Aging Services" This project evaluates the impact of a health disparities workshop conducted with organizations focused on health and aging services in order to develop a shared framework for addressing health equity. Role: Principal Investigator
$10,000	University of Texas at Arlington Coalition for Alternative Resources in Education for Students 11/27/23 – 11/27/25 An open education project to support the development of open educational resource teaching and learning materials using a Creative Commons license to allow materials to be reused and adapted by others without costs or additional permissions. This award will focus on health insurance and accessing care in health and behavioral health settings. Role: Co-Principal Investigator

Sponsored Projects — University of North Texas Health Science Center

$75,000	United Way of Tarrant County (PI Cardarelli, K) "The HEALTH Initiative/ Healthy Aging and Independent Living (HAIL)/ Health Literacy Program" 07/01/2013 – 06/30/2014 The health literacy project applies a systems approach toward its goal of increasing the collective capacity of key organizational stakeholders to improve the health literacy of individuals in the target population served, thereby creating a "health literate" Tarrant County. Role: Community Engagement Coordinator
$9,970	United Way of Tarrant County (PI Adorno, G) "Emerging Elders and Older Adults of Arlington, Texas: Perspectives on 'Aging Well' in Their Community." 01/2014 – 08/2014 The goal of this project is to utilize a community-based participatory research (CBPR) approach to explore features of "aging-friendly" Arlington, Texas according to community stakeholders. Role: Community Engagement Coordinator
$100,000	United Way of Tarrant County (PI Cardarelli, K). "Health Literacy in Tarrant County Adults: A Systems Approach." 07/01/2013 – 06/01/2014 The goal of this project is to apply a systems approach to enhance connections between institutions such as libraries and healthcare systems and local evidence-based programs that enhance self-management of older adults with chronic disabling conditions. Role: Community Engagement Coordinator
$10,000	Susan G. Komen for the Cure – Greater Fort Worth "Community Organizing Grant Program." 06/2013 – 05/2015 Small grant submitted with a community-based co-investigator on advisory board of Tarrant County Disparities Coalition, a local community/academic partnership established to address health disparities. Small grant funded two county-wide, multi-site breast cancer screening events in collaboration with local hospitals and community-based organizations. Role: Co-Principal Investigator
$50,000	United Way of Tarrant County (PI Cardarelli, K) "Health Literacy in Tarrant County Older Adults: A Systems Approach." 01/01/13 – 06/30/13 The goal of this project is to apply a systems approach to enhance connections between institutions such as libraries and healthcare systems and local evidence-based programs that enhance self-management of older adults with chronic disabling conditions. Role: Community Engagement Coordinator
$6,664,315	NIMHD Exploratory Centers of Excellence (P20) (PI Vishwanatha) "Texas Center for Health Disparities Community Engagement/Outreach Core" 08/01/12—07/01/17 Provided oversight, project management and community engagement activities for Community Outreach Core in translational research center focused on women's health disparities. Included community-based participatory research initiative in areas of obesity, breast cancer, and HIV/AIDS; Coordination of a Community Advisory Board Role: Community Core Director 09/01/13—07/31/14; Community Engagement Coordinator, 07/01/12—08/31/13
$1,601,496	CDC via Texas Department of State Health Services (PI Cardarelli) "Transforming Texas Evaluation" 04/30/12 – 09/30/13 The goal of this project is to add to the chronic disease reduction and prevention evidence base by determining which health strategies produce successful outcomes in different environments. Role: Community Engagement Coordinator

$1,403,548	Cancer Prevention and Research Institute of Texas (PI Cardarelli) “Comprehensive breast cancer prevention for high-risk women in Dallas County” 09/01/11 – 08/31/14 The goal of this project is to expand an evidence-based breast cancer primary prevention program among high-risk women while increasing community capacity for prevention. Role: Community Engagement Coordinator
$298,148	Cancer Prevention and Research Institute of Texas (PI Cardarelli, K). “Culturally sensitive HPV Vaccine Education in Tarrant County” 06/01/10 – 05/31/12 The project sought to increase HPV vaccination among girls ages 9–17 in Tarrant County through community outreach, social media, and clinical in-reach designed to increase community knowledge, support informed vaccine decision-making, and reduce cervical cancer disparities. Role: Community Engagement Coordinator

2016	AcademyHealth Institute on Advocacy and Public Policy, Presidential Scholarship
2013	Translational Health Disparities Course, National Institute on Minority Health and Health Disparities (NIMHD)
2010	California Brief Multicultural Competency Scale Multicultural Training Program, Mental Health Connection of Tarrant County
2009	The People’s Institute for Survival and Beyond, Undoing Racism® Workshop
2005	Study Abroad: Community Development in Guanajuato, Mexico, Texas Christian University

TEACHING EXPERIENCE

Courses Taught — Tarleton State University

Undergraduate	Leadership in Public Administration
Undergraduate	Introduction to Public Policy
Graduate	Public Policy Praxis

Courses Taught — The University of Texas at Arlington

Graduate	Grant Writing
Graduate	Foundations of Professional Success in Social Work
Graduate	Research and Evaluation Methods in Social Work II
Graduate	Generalist Macro Practice
Graduate	Special Topics in Health Equity
Graduate	Health Policy and Social Justice
Graduate	Health Insurance and Access to Care

Graduate	Research and Evaluation I
Graduate	Human Behavior and Diverse Populations
Undergraduate	U.S. Immigration Policy and the American Dream
Undergraduate	Social Work Research Methods
Undergraduate	Social Welfare Policy and Services
Undergraduate	Social Work Practice III
Undergraduate	Human Behavior and Diverse Populations

Course Development and Quality Matters–Aligned Revisions

2026	Health Policy and Social Justice (graduate; co-revised)
2024	Advanced Community Practice (graduate; co-revised)
2024	Health Insurance and Access to Care (graduate; co-revised)
2017	U.S. Immigration Policy and the American Dream (undergraduate; created)
2016	Special Topics in Health Equity (graduate; created)

Invited Lectures

Fall 2022	"Shared accountability for immigrant health: whose job is it anyway?" Virtual presentation for students of Health Equity Course at Tulane University, New Orleans, LA.
Fall 2021	"Shared accountability for immigrant health: whose job is it anyway?" Virtual presentation for students of Health Equity Course at Tulane University, New Orleans, LA
Fall 2021	"Shared accountability for immigrant health: whose job is it anyway?" Virtual presentation for students of Human Geography Seminar at Trinity Washington University, Washington, DC.
Summer 2014	"Approaches to prevention: Social determinants of health" Lecture to Health Promotion graduate course for UNTHSC Physical Therapy students
Spring 2014	"Infant Mortality in Tarrant County" Lecture to Social Work Direct Practice in Health Care graduate class, UTA School of Social Work
Summer 2013	"Approaches to Prevention." Lecture to Health Promotion graduate class, UNTHSC Physical Therapy Department
Spring 2013	"Infant Mortality in Tarrant County." Lecture to Social Work Direct Practice in Health Care graduate class, UTA School of Social Work
Fall 2009	"East Arlington Family Support Center: History, Description, and Initial Findings." Lecture to Social Work Practice III undergraduate class, UTA School of Social Work
